

SILVER STATUES

To make your own silver statue you will need:

- A square of tin foil 6cm x 6cm approx.
- Scissors
- Your imagination!

1. Cut a square of tin foil

2. On the top of the square make two cuts or tears.

3. On the bottom make one cut. It should look like a W.

4. Scrunch the W into the middle to make the statues' waist

5. Now scrunch the three lengths at the top to make the head and two arms

6. Scrunch the bottom two lengths to make the legs.

7. Mould your statue to look like it is walking, running, dancing or jumping!!
